Disclaimer:

There are more than 65 feedback responders, with some sending in multiple documents and responses. Many reaching more than 3 pages and including a lot of technical information.

This document has been constructed by a volunteer and consists of (as far as possible) data which has been redacted to protect the privacy of those submitting feedback.

Some editorial amendments or deletions have been made and in some case this includes whole sections of submitted documents including sections of prefaces, context and/or background information, (particularly provided by consultants) has been removed. This has been done purely in an attempt to make the document more readable, but no actual feedback on the NDP has been removed.

Please note that spellings and/or typos and irregular spacings are likely to be a result of the compiling (copy and paste or typing).

FEEDBACK STARTS BELOW:

Why is the land at KS5 the first priority site for development rather than KS3 and KS6? The latter sites are within the current Settlement Boundary where as KS5 is outside of this Boundary. There is no adequate explanation for this and surely first priority should be to develop the sites within the current Settlement Boundary? Can the NDP provide justification for this priority?
