FEEDBACK STARTS BELOW:

We act on behalf of XXXXX Please find attached the written representations prepared on behalf of our clients to the consultation draft King's Somborne Neighbourhood Plan. In preparing these representations, we have reviewed the evidence base available on the Parish Council's website.

Whilst supporting the principle of a Neighbourhood Plan for King's Somborne, and in particular the proposed allocation of our clients' sites (referred to as XXXX), we have significant reservations regarding the soundness of the Plan as currently drafted. Our attached representations set out these concerns in further detail, however in summary we consider that the draft Plan fails to meet the basic conditions and is therefore unlikely to be capable of being "made" at Examination.

We therefore recommend that the Parish Council undertake to amend the Plan, prior to submission to the Borough Council.

We also attach in XXXXXX a Highways Feasibility Study prepared by Odyssey.

Our Clients would be pleased to meet with the NDP Group and/or Parish Council to discuss the representations within this letter and their plans for XXXXXXXXXXXXX.

Yours sincerely
