

# Kings Somborne Parish Council

## Grant Application Form (part 1) – Summary

Name of organisation:	Nutchers Drove Party Planners!
Name of and position in organisation of person making the application:	Annie Leete – chief party organiser!
Is this organisation open to the public?	No
Reason/s for making a grant application:	<p>On behalf of the residents of Nutchers Drove, King's Somborne, I would like to apply for a grant to hold a Big Lunch Street Party to celebrate the Queen's Platinum Jubilee, on Sunday 5<sup>th</sup> June. I have also applied to TVBC to close the road. As you may know from Councillor Ian Beacham, we have held annual street parties since 2017, but given the magnitude of the Queen's Jubilee, we want to celebrate this one in style – and have a host of activities and games arranged, plus of course the lunch itself. We are particularly keen to make this one to remember for the children's benefit, as this is such a once in a lifetime event.</p> <p>Our plan is for the grant to be spent on refreshments for the occasion, but in addition it simply being a fun event - we also want to make it educational, particularly for the children of our neighbourhood – who will remember this day for the rest of their lives. We plan to make it educational by creating a fun Treasure Hunt down the street, the clues being key events in the Queen's 70 year long reign. We will need to buy materials to create this Treasure Hunt which will be sourced from local suppliers and a craft warehouse. This is why we have also applied to close the road so that the Treasure Hunt can be undertaken safely, without the risk of passing traffic.</p> <p>I hope the Parish Council will be able to support this event, and recognise the educational nature of the funding we are asking for, and the positive impact this will offer the children of our neighbourhood.</p>
Amount requested and how this will be spent:	£200
Charity no. (if applicable):	n/a
Is the organisation currently operating?	Not in a formal capacity. A group of us organise annual street parties, for the benefit of our community of residents in Nutchers Drove.
The number of residents in the Parish of King's Somborne who will benefit from a successful application:	70
If applicable, any specific group of residents who will benefit e.g., age group or residents with specific needs:	All of the residents of Nutchers Drove
The anticipated benefits to the organisation and residents of a successful application.	Bringing together and enhancing the community spirit for all of our neighbours in Nutchers Drove. And in addition, offering extra curricular learning to our young residents, who have missed out on so much education during the COVID pandemic.
